

Police sirens are loud.

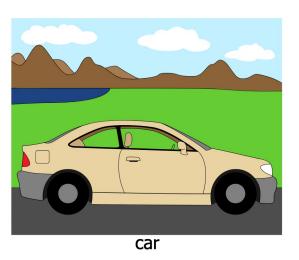

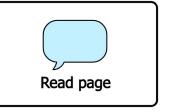

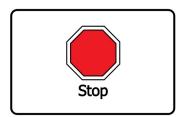

We stop the car safely.

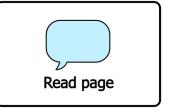

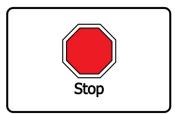

The police officer says hello.

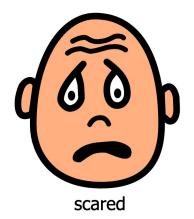

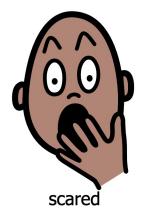

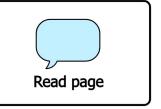

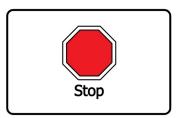

It is okay to feel scared.

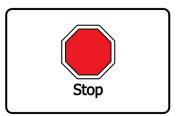

The police are here to help us.

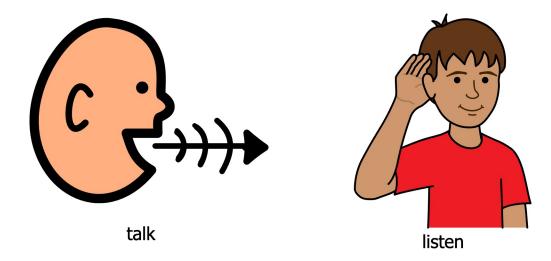

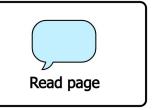

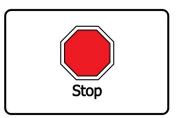

We listen to the police officer.

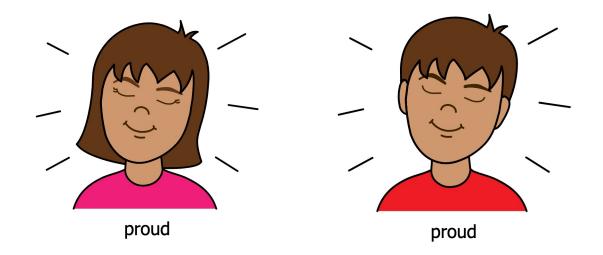

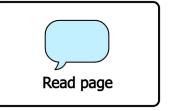

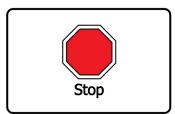

I can tell them I am autistic.

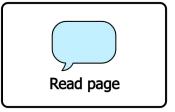

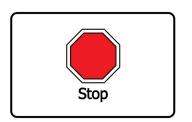

We do what the police say.

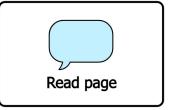

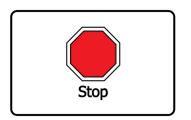

We keep our hands in our laps. We don't reach for anything unless asked.

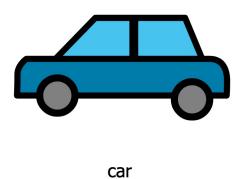

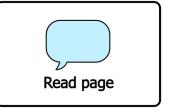

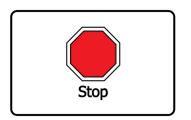

We won't get out of the car unless asked. We will not run away.

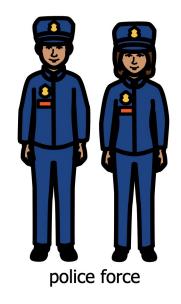

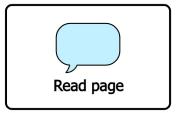

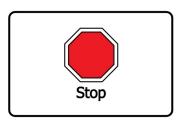

Everyone has to listen to the police.

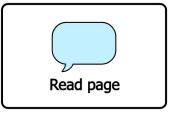

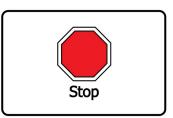

Traffic stops can be stressful. I can talk to someone I trust about it.

The End

What would you like to do now?
